CONSTITUTION OF THE FRIENDS OF THE TRUTH

At our Yearly Meeting of Friends for New England, held on Rhode Island, from the 14th to the 18th inclusive, of the 6th month, 1829.

The Committee on the state of Society, to which was referred Minutes of the Yearly Meetings of London, New-York, Baltimore, Ohio, and Indiana, received at this time, have given attention to the subject, and considered it in connection with the relation in which we stand towards the other Yearly Meetings of Friends in this country, and propose the adoption of the following Minutes, which being read and considered, are united with, and copies thereof directed to be forwarded to our several Quarterly and Monthly Meetings; and also to be transmitted to the several Yearly Meetings with which we correspond.

This Meeting having last year been introduced into much exercise, on account of the difficulties which had then been manifested in our religious Society, in various sections of this country, and which had prevailed till separation had been the sorrowful result, deemed it an indispensable duty to meet the exigencies of the occasion, by declaring our unity with those Meetings that had continued steadfast in their adherence to the ancient order, discipline, and faith of the Society, and our disunity with those who had receded therefrom.

We feel it to be our duty, again to advert to this painful subject, and to state to our subordinate Meetings, that not only within the limits of the Yearly Meetings of Pennsylvania and New-York, (to which reference was had in our minute of last year,) but also within those of Baltimore, Ohio and Indiana, separate bodies exist, under the name of Yearly Meetings of Friends, with Quarterly, Monthly, and other Meetings in connection with them, which are not in fellowship with us as a religious community.

In consequence of the embarrassments and mistakes to which Friends are exposed by the separatists thus continuing to take the name and character of Friends, the Yearly Meetings of New-York, Ohio, and Indiana, in acknowledged unity with us, have been induced to furnish the names of Correspondents appointed by them in their several Quarterly Meetings, one or more of whom is to sign, (in addition to the usual mode of signing,) all removal or other certificates or documents, issued, which are to go beyond the limits of their respective Quarterly Meetings.—And in order that certificates may duly reach the meetings to which they are directed, it is recommended by them, that they be forwarded to one of those Friends.

BALTIMORE YEARLY MEETING has directed, that to the names of all the Meetings of every description, within the compass of their Yearly Meeting, the following words be added: "In unity with the ancient Yearly Meetings of Friends;" and have appointed ISAAC BROOKS, JAMES GILLINGHAM, and NICHOLAS POPPLEIN, residing in the city of Baltimore, a Committee, one of whom is to sign, in addition to the usual signature of the Clerk, all Minutes or Certificates issued by Monthly or Quarterly Meetings for any of their Ministers or Members.

Accounts received from our Preparative Meetings inform, their representatives are from the South, Charles Lawrence and Maria Smith, from the North, Maria Barker and Anna C. Almy, who are all present.

Soon after opening this Meeting, a dividing separating spirit, which made its appearance at our last Yearly Meeting, producing a secession of a small portion of the members from the Body. And the sorrowful work of separation which there took place still progressing, we have on the present occasion witnessed a few of the members of this Meeting, (one of whom, Mary Davis already under dealing - tacked Mo. M^g.) so far deviating from the good order and Discipline of our society, as to set up a new Meeting, which they call Dartmouth Mo. Meeting of Women Friends, appointing an individual whom they denominate a clerk, in opposition to the regularly appointed clerk then at the table, one of their number, Mary Davis, for the occupancy of the table and the books, ^{which} request not being granted, they greatly disturb the order of our M^g, by reading, writing, and speaking. They having now withdrawn and left our M^g free from intrusion, we proceed to transact the business of our Monthly Meeting.

The representatives to the An. M^g. report, they attended agreeable to appointment. The committee, in the case of Abby Ann Sutton (Abby Gifford) inform, they have had an opportunity

with her, but are not ready to report, and the case is continued under the care of the same committee, to report next Month.

We have received the Extracts from our last Yearly Minutes, informing of the painful secession which has taken place amongst us, also of the appointment of a committee to visit and assist subordinate Meetings if necessary, which has been read and united with, and is as follows viz.

At our Yearly Meeting of Friends for New England, held on Rhode-Island, from the 15th to the 25th inclusive of the 6th Mo. 1845.

Believing that in regard to the secession that had now taken place, the appointment of a Committee is called for to visit such subordinate Meetings as may appear to them to stand in need of assistance, and to afford such counsel and advice as in the meekness and wisdom of the Truth they may be enabled to afford; and that they should extend special care in the assisting of Friends in sustaining our Meetings in the different parts of our Yearly Meeting according to our present organization, we appoint, as a Committee for these purposes, our friends Perry Peck, Estes Newhall, Isaac Lawrence, Thomas Jones, Moses Barnum, John Warren, John D. Lang, David Douglass, Thomas Anthony, Rowland Green, George Howland, Samuel Bayce, Daniel Clapp, Paul S. Sibley, Allen King, Nathan Pope, Nathan Breed of Lynn, Jonathan Dune, Timothy Hanson, Benjamin Press, Samuel Jones, Joseph Metcalf, Stephen Jones junr, David Buffum, Samuel Taylor Love Abraham Russell, John Page, and Abijah Johnson &c

to act therein on our behalf, and report to the Meeting next year.

The time and places of holding our several Quarterly Meetings being specified in the Book of Discipline, and the circumstances existing in one or more of the Quarters rendering it probable that a greater discretion to be given such Quarterly Meetings than is provided in the Discipline will promote the more satisfactory accomplishment of the business thereof— it is our conclusion and advice, that for the year ensuing, such Quarterly Meeting may be at liberty to adjourn their Meetings held at the specified times from the place now provided, to another place within the limits of such Quarterly Meeting, acting therein in accordance with the advice of the Committee appointed at this time by the Yearly Meeting, to advise and assist such of our subordinate Meetings as circumstances may render necessary. And the same liberty is granted to such Preparative and Monthly Meetings as may be similarly situated.

And some of the committee are now acceptably in attendance with us.

We have also received an Epistle from our last Yearly Meeting, addressed to Subordinate Meetings and individuals, which has been read, and is truly satisfactory.

There has been presented to this Meeting from the South Preparative Meeting a complaint against Mary Davis which is as follows viz

To the Preparative and Monthly Meeting.

The Overseers feel it to be a painful duty to inform the Meeting, that Mary Davis, who stands in the station of a Minister, has, for a length of time, manifested in various ways a want of unity with friends, on which account she has been laboured with by a Committee from the Select Meeting, without producing the desired effect. At our last Yearly Meeting, while in attendance of the second sitting, she took an active part in effecting the separation that then took place, stating to the Meeting that the Representatives had conferred together on the subject of appointing Clerks, and were united in proposing two individuals whom she named - a few disaffected persons uniting therewith, she said, friends had better proceed to the business before them, when the individual whom they had named for Clerk, read a minute to this effect. - "Met agreeably to adjournment near the fifth hour," which was the time our regular and long established Yearly Meeting had adjourned to, thus was the doings of the first sitting acknowledged - one of the decisions of which was, that the Clerks who were regularly at the Table, should remain there till the question was settled, which were the rightful Representatives from Rhode Island Quarterly Meeting, and, thus, by a decision of the Meeting, the Representatives had no right to confer on the subject of appointing Clerks. Mary Davis, with one more were the only rightful Representatives who were concerned in this disorderly proceeding - They with a few other disaffected members and disowned individuals united in holding what they called New-England Yearly Meeting of Women Friends, adjourning

from the House to some other place, where they continued to hold their sittings till the close. - At our last Quarterly Meeting, after the Meeting had been opened in the usual way, with a Clerk and an Assistant Clerk at the Table, who were regularly appointed by the preceding Quarterly Meeting held in fourth month last, for the year ensuing - the said Mary Davis approved of the appointment of two individuals for Clerks, who had been in a disorderly manner proposed by one of the Representatives from Nantucket Monthly Meeting, she, stating as the ground of necessity for appointing new Clerks, that the individual who was acting as Clerk at the Table, had identified herself with the Separatists, by attending a Quarterly and a Yearly Meeting of theirs, also in various ways had united with, and encouraged unsound doctrines - an accusation entirely without foundation in fact, and notwithstanding this groundless assertion was exposed, and the Meeting informed that the Clerks then acting were regularly at the Table, she joined with others in appointing new Clerks and opening what they called - Sandwich Quarterly Meeting of Women Friends, in open violation of our Discipline. - Endeavours have been used by the Overseers, accompanied with some of our Yearly and Quarterly Meeting's Committee, to obtain an interview with her, in order to treat with her, on account of her disorderly proceedings, but she refused to recognise our authority, and wholly declined giving an opportunity for labor, - making the ungrounded assertion, that we, the Overseers and Committee, belonged to a Yearly Meeting of Separatists, who had joined the Episcopalian's. - We therefore submit their case to the Meeting.

Sarah Gifford
Rachel Gifford - Overseers

We, also, being Overseers approve of the foregoing statement, though not present when the interview was sought for.

Mary A. Tucker
Elizabeth Hale

We therefore appoint Anna C. Atmy, Sarah Gifford, Phoebe R. Gifford, and Phoebe Chearman, to visit and labor with us, in the ability which may be afforded, and report to our next Monthly Meeting.

In consequence of the separation which has taken place amongst us, this Meeting unites with our men friends, in appointing a committee to look into the propriety of uniting our Preparative Meetings, in order that friends may be respectably sustained in our Meetings for Discipline, we appoint Sarah Potter, Mary Gifford, Sarah Gifford, Rachel Gifford and Elizabeth Potter, who are desired to attend the next North Preparative Meeting, and render such assistance as may be thought needful, and report to our next Monthly Meeting.

At a Monthly Meeting of Women Friends held at Dartmouth, 8 Mo. 27th 1845.

Accounts received from our Preparative Meetings inform their representatives are from South, Sarah Potter and Catherine Gifford, from the North, Maria Barker and Virtue R. Potter, who are all present.

The case of Abby Ann Sutton, is continued under the care of the same committee, another month.

The committee appointed to visit Mary Davis inform, they have not had an opportunity with her as way has not opened therefor, and the case is continued under the care of the same committee to report next Mo.

We have received the extracts from our last Quarterly Meetings minutes, which have been read, are satisfactory, and are as follows viz.

This Meeting being introduced into a feeling of deep concern, on account of the progress of a dividing separating spirit within the limits of the Quarterly Meeting, believes that the appointment of a committee is called for, to visit such of our subordinate Meetings as may seem to them to stand in need of assistance,

and therein to labor as way may open for it, in the ability which may be afforded, in making such Meetings to sustain our Discipline respectably to the cause of Truth, acting herein on our behalf, in concert with the committee appointed by our last Yearly Meeting, to visit subordinate Meetings, and make report to a future Meeting. Our men friends informing they had appointed a committee for this service. We appoint our friends Huldah Gifford, Barbara Gifford, Hepsibah W. Swift, Phoebe R. Gifford, Ruth W. Baker, Susan Howland, Anna Macomber, Mary Gifford, Betsey P. Wood, Beulah W. Rogers, Rachel Swain, and Lydia Parker.

From the Minutes of Sandwich Quarterly Meeting of Women Friends held on Nantucket, 3rd of 7th Mo. 1845.
Phoebe R. Gifford, Clerk.

The time having expired for which the overseers of society were chosen we appoint Phoebe R. Gifford, Sarah Tucker, Sarah Potter, Rachel Gifford, and Mary Gifford, to select the names of some friends for that service and forward to our next Monthly Meeting for their consideration. The same committee is also requested to select names for overseers of the poor as their appointment has also expired. The committee appointed last Mo. to visit the North Preparative Mtg., have presented the following report viz. We, the committee appointed last Month to attend the North Preparative Mtg., have attended thereto, and although there are a number of that Mtg. who have separated from Friends, yet it was our united judgment that a Preparative Mtg. be continued there, until way may open for further action thereon; and it was also our judgment, that usefulness would arise, for a committee to be appointed by the Mo. Mtg., consisting of friends of both the Preparative Mtgs., to attend as way may open both of said Mtgs. and extend such advice and labor as South may direct. Which we submit to the Meeting.

Signed on behalf of the Committee, Joseph Gifford
Sarah Potter.
which being satisfactory to the M^g, it is concluded to re-appoint the same committee to attend both Preparative M^gs, and render such assistance as may appear to them necessary, with the addition of Hannah Slade, Nancy S. Potter, Phoebe B. Gifford, and Mary H. Sacher, to the committee.

The report of the Boarding School Committee approved by our last Yearly M^g, has been read, is satisfactory to this M^g, and we appoint Mary H. Sacher, Mary Gifford, Rachel Gifford, Anna C. Hony, and Phoebe B. Gifford, to make the necessary inspection, and prepare certificates for children who are desirous of gaining admittance as scholars in this institution, the ensuing year.

We have received a printed declaration from New-England Yearly Meeting of Friends, upon our various Christian Doctrines, which has been read and fully united with.

We have also received a communication from our last Yearly Meeting, giving the names of persons who are appointed as correspondents in New-England Co. M^g, which is as follows.

YEARLY MEETING OF FRIENDS FOR NEW-ENGLAND, SIXTH MONTH, 1845.

A Secession from our Religious Society having to some extent taken place within the limits of this Yearly Meeting, and divers meetings set up, bearing the name of, and claiming to be meetings of the Society of Friends, we have deemed it a prudent measure, (though we trust not actually called for in many of our meetings, on account of any disaffection towards Society within their borders,) in order to relieve our Friends abroad from any embarrassment in the acceptance of Certificates and other papers from New-England, to appoint correspondents in all our Monthly Meetings, whose duty it shall be to sign all certificates and other papers issued by those Meetings respectively, in addition to the usual signing of the Clerk. And any one of whom, within the limits of their respective Quarterly Meetings, may sign any document issued by such Quarterly Meeting.

In case of removal by death or otherwise, of any of the correspondents now appointed, Quarterly Meetings are authorised to supply any vacancies that may occur till the time of our next Yearly Meeting. From the Minutes of said Meeting,

At a Monthly Meeting of Women Friends held at
Dartmouth 9th month 24th 1845

Accounts received from our Preparative Meetings
inform, their representatives are from the South, Fannina
Allen and Mary Ann Frances, from the North, Sarah Tucker
and Mary A. Tucker, who are all present.

It is united with in this Meeting, that the case
of Abby A. Sutton, should be continued another month,
under the care of the same committee.

The committee who were appointed to visit
Mary Davis have presented a report, which has been read,
and is as follows, viz.

We the committee appointed to visit Mary Davis
inform, that we have had an opportunity to sit with her,
but not solely - She did not acknowledge our authority
to treat with her as a committee from Dartmouth Mo.
Meeting - we had therefore no satisfaction in the
interview - she said she did not hold herself accountable
to any society but that of friends, neither Roman Cath-
olics, Episcopalians, or any other - from which we infer
that she holds herself accountable to no Meeting, but such
as are set up by those who have joined with John Pilsbur
in producing a secession from our Yearly Meeting, and
who accuse friends that do not join with them of being
unsound. We believe that an attempt for further labor
would be altogether unavailing - therefore submit the case
to the consideration of the Meeting. Sarah Gifford
Ann C. Strong
Phoebe C. Gifford

and after solidly considering the case, it is the united judg-
ment of this Meeting, that she should be disowned from
membership with us, having the concurrence of our friends
herein. Sarah Potter and Phoebe Shearman are appointed to
inform her of the judgment of this Meeting, and report next
Month.

The friends who were appointed last Mo. to bring forward names for Overseers of Society, were united in proposing, Mary A. Tucker, Phoebe C. Gifford, Anna C. Hony, Elizabeth Slade, Sarah Potter, Satoria Board, Sarah Gifford, Rachel Gifford, and Mary Gifford, with whom this Meeting unites and they are appointed to that service for the ensuing year, except Elizabeth Slade who not being present her appointment is deferred. For Overseers of the poor we propose Nancy S. Potter, Virtue R. Potter, Elizabeth Smith, Rhoda Howland, Jennima Allen, and Charlotte Lawrence, the Meeting uniting herewith, they are appointed to that service for the ensuing year, except Elizabeth Smith, who being absent her appointment is deferred until another time.

The queries have been read in this Meeting with the answers to the three usually considered, and a summary collected therefrom, which we forward to the Quarterly Meeting next to be held at Sandwich, with an account signed by the clerk, by our representatives Hannah Slade, Mary Gifford, and Nancy S. Potter, whom we appoint to attend the same, and report to our next Monthly Meeting.

This Meeting unites with men friends, in disowning Seth Davis from membership with us.

We are informed from the North Preparative Ag. by the Overseers, that Lucretia Tucker and Sylvia R. Wilbur have joined in a secession from our religious Society, taking an active part therein, encouraging and aiding in the setting up of separate Meetings in opposition to regularly established Meetings, contrary to our Discipline. We have had an opportunity with them, on the account, and they appeared satisfied in the course they had taken. We therefore submit their case to the Meeting. Hannah Slade, Sarah Potter, and Mary Gifford, are appointed to visit and labor with them on account of their deviation, in that ability which may be afforded, and report when ready. A transcript of an Epistle from London Nov. Ag. has been read at this time, the contents of which have been alluded to us.

To Dartmouth Monthly Meeting of Friends,

Dear Friends,

We your committee of men and women friends, appointed in the 8th Mo. 1845 as by record may appear, have given our attention to the object for which we were appointed. And apprehending that we have labored in the ability which has been afforded; and in our judgment, it does not appear needful for the Monthly Meeting to take any action at present, in regard to visiting the Preparative Meetings. We also think it may be right to say, that the South Preparative Meeting, has not been discommoded by the intrusion of the seceders since their appointment, and that, that Preparative Meeting has been peaceably and orderly sustained; whilst at the North Meeting, friends there were interrupted and discommoded by the adherents

239
of John Wilbur for more than 12 months, both in their Meetings for worship and Discipline, in their Meetings for worship, by the seceders keeping their seats in time of prayer, and in Meetings for Discipline, friends being under the necessity of waiting for them to go through with what they termed their business; they asserting themselves to be the genuine legitimate society, and the only rightful owners of the house and property. We believe that friends of that Meeting have been preserved, in good measure, to keep their places and standing in the Truth, and their Wgs. have been reputably sustained; and they are now, and have been, since about the first of the 8th Month last, entirely freed from any intrusion from the seceders, they having withdrawn from us.
